PERSONAL PROFILE

I am a duly qualified occupational therapist registered with the College of Occupational Therapists of Ontario (COTO), a member in good standing with the Ontario Society of Occupational Therapists (OSOT) and possess professional liability insurance through the same. I earned my Master of Science Degree in Occupational Therapy from McMaster University. I have experience in the assessment and treatment of various acquired and congenital injuries and illnesses including orthopedic and neurological injuries of both catastrophic and non-catastrophic nature. I am a recognized evaluator with the Canadian Society of Medical Evaluators for Catastrophic Determination (Functional Observer) having successfully completed the C-CAT certification course in September 2018 and have been performing catastrophic assessments since that time. I have been accepted as an expert witness with the Licence Appeals Tribunal. I am a registered authorizer with the Assistive Devices Program in Ontario and am registered with Blue Cross as a provider for Veterans Affairs Canada. I continue to engage in professional development through attendance at in-services and conferences, and through reviews of literature.
